

COCONUT SCENT DROPS

LIMITED EDITION SCENT

FORMULATION OVERVIEW

Unique scent blends mixed with an unscented solution will add a spa-like feel to any spray tan service. Enhance your clients sunless experience by adding the Coconut Scent Drops that will provide an amazing smell to your sunless tanning sessions. This will immerse you onto the beach with sand in your toes, salt in your hair and your favorite umbrella drink in hand.

HOW TO USE: Add one full dropper of scent to every 1 ounce of solution. Add additional droppers for increased scent benefits.

PRO-TIPS: Add your favorite scent to your unscented lotion or apply Sjolie scents directly to the skin and wear it as a perfume.
