

SKIN FIRMING DROPS

PROFESSIONALS

MSRP \$18.00

PRO \$15.00

FORMULATION OVERVIEW

This cutting-edge formula is designed to tone and tighten the skin to provide a smoother and more firm skin appearance.

This additive provides a temporary tightening effect, it will not last the duration of the spray tan.

HOW TO USE: Add two full droppers for every ounce of solution prior to application.

PRO-TIPS: Recommend the client to use Sjolie Tan Extend to improve longevity of the Skin Firming Benefits.

HIGHLIGHTED INGREDIENTS

CAFFEINE EXTRACT

A stimulating ingredient with antioxidant properties to help improve the look of cellulite (dehydrate fat cells) and can potentially prevent repair sun damage.

MALTODEXTRIN

Enhances the anti-aging activity of amino acids and fatty acids and aids in product penetration and effectiveness.
